<b>Small pumps and pumping systems</b>	<b>1</b>
Application and accessory information .....	1-3
Scroll pumps .....	1-6
Oil-sealed pumps and accessories .....	1-9
Diaphragm pumps and accessories .....	1-29

<b>Turbomolecular pumps</b>	<b>2</b>
EXT turbomolecular pumps .....	2-4
Turbomolecular pump controllers .....	2-14
EXT accessories .....	2-28
EXPT combined outfits .....	2-30
STP magnetically levitated turbomolecular pumps and accessories .....	2-31

<b>Vapor pumps</b>	<b>3</b>
Vapor pumps for industrial applications .....	3-3
Vapor pumps for scientific instruments and R&D applications .....	3-14

<b>Measurement and control</b>	<b>4</b>
Vacuum gauges .....	4-4
Vacuum displays and controllers .....	4-22
Capsule dial gauges and vacuum switches .....	4-31
Profibus communications module .....	4-34
Leak detection .....	4-35

<b>Valves</b>	<b>5</b>
Data summary .....	5-3
Pipeline isolation valves .....	5-4
Air admit valves .....	5-27
Needle valves .....	5-30
Electropneumatic control valves .....	5-31

<b>Vacuum system components</b>	<b>6</b>
Flange fittings .....	6-2
Cord and tubing .....	6-33
Oils, fluids, sealants and greases .....	6-34

<b>Semiconductor pumps and exhaust management</b>	<b>7</b>
Dry pumps .....	7-3
Exhaust management .....	7-9

<b>Vacuum coating</b>	<b>8</b>
Vacuum coating systems for research and development .....	8-2
Systems for electron microscope specimen preparation .....	8-12
Vacuum coating components .....	8-16

9

## Industrial pumps and pumping systems

IDX and GV/GVM Drystar® pumps and accessories .....	9-4
Oil sealed pumps and combinations.....	9-14
Mechanical booster pumps .....	9-74

10

## Chemical pumps and pumping systems

Chemical dry pumping systems .....	10-2
------------------------------------	------

11

## Liquid ring vacuum pumps

Liquid ring vacuum pumps .....	11-2
--------------------------------	------

12

## Process vacuum

Steam ejector vacuum systems .....	12-2
Deaeration equipment .....	12-3

13

## Vacuum dryers

Vacuum shelf dryers .....	13-2
---------------------------	------

14

## Service and Training

Global customer support .....	14-2
International training.....	14-4
Guide to pump selection and pipe installation.....	14-7
Unit conversion data.....	14-10
Material safety data sheets.....	14-11
